Things inhousing must do

Inhousing checks the home is ready.

The home **must** be clean.

Some thing in the home does **not** work.

You did not break it. Like

- the oven does **not** work
- the hot water does **not** work.

inhousing **must** fix it.

- respect your private space. Like tell you when they need to come to your home

- give you a paper to say you paid your rent.
It is called your **Statement**.

- give you a copy of the rules.
