Your home works for you

Some inhousing homes are near

- bus stops
- train stops
- shops
- where you work.

It helps you

- do the things you want to do
- when you want to do them

and

- do them on your own.

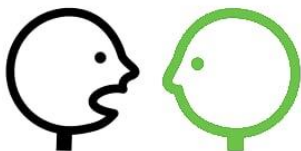

You want to do things in your home.

Like you are deaf.

You need things you can see. Like

- a fire alarm
- a door bell.

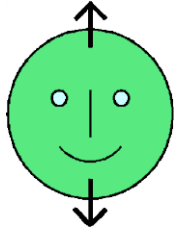

You need to tell us

- the problem
- what change you need

and

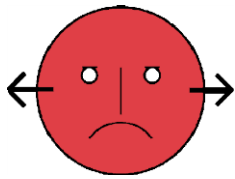

- who will do the work.

We will say

- yes. You can make the change

or

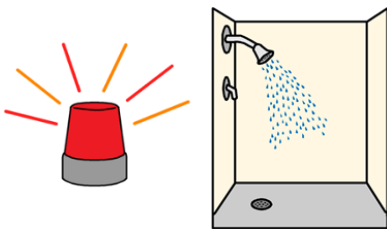

- no. You can **not** make the change.

Who will pay for the change?

Your NDIS money will only pay for some changes. Like

You need the change.

And

It is because of your disability.

Your NDIS plan may have money to make this change. Read your NDIS plan. Ask the NDIS. Will my NDIS plan pay for this change?

inhousing can help you talk to the NDIS about housing.
