## Things you must do

Keep your home clean.

Take care of all rubbish. Like

- put the rubbish in the big out side bins

**and**

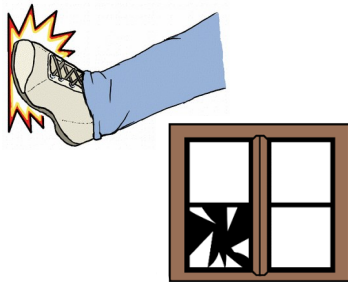

Sun	Mon	Tue	Wed	Thur	Fri	Sat
						
						

- put the bins out on bin day.

Keep the garden tidy. Like mow the lawn.

Family or support staff may help you do these things

You break some thing. Like you

- kick a wall
- break a window.

You must pay to fix it.

Talk to inhousing about a change to your home.  
Like you need a builder.

Do **not** do thing that break the law in your home.

Like sell drugs.

Respect other people in the street.

Like do **not** play music

- very loud every day
- late at night.

Pay rent on time.

Pay for the water you use.

Some one stays at your home.

They stay for more than 12 weeks.

It is the same as 3 months.

You must tell inhousing.
