OUR PURPOSE

We improve the lives of people with disability by creating quality homes, developing inclusive technology and building inclusive neighbourhoods.

OUR VALUES

PERSONHOOD: People with disability are able to exercise personal authority.

CITIZENHOOD: People with disability are active citizens in the life of the community.

CAPACITY BUILDING: The capacity of people with disability is enhanced, at the level of the individual, and the family and the community.

STRENGTHEN COMMUNITY CONNECTION

Supporting our tenants to build community connection through nurturing inclusive neighbourhoods.

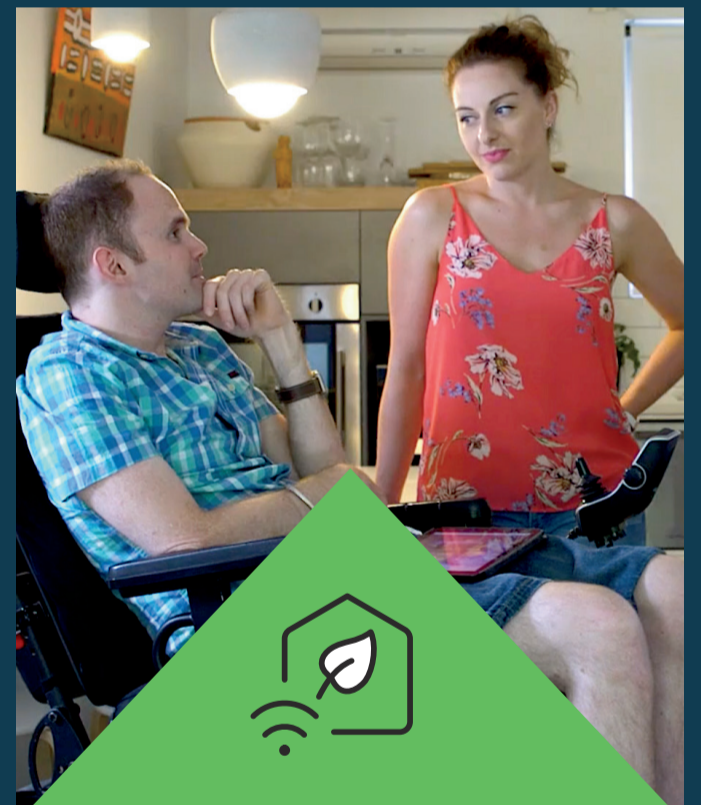

FOSTER INCLUSIVE WORKPLACES

Promoting an inclusive organisation where our people feel inspired, valued and supported to learn, grow and contribute.

AMPLIFY TENANT VOICE

Placing our tenants at the heart of everything we do, honouring their life choices in our planning and decision making, tenant advocacy and service delivery.

ADVOCATE FOR SUSTAINABLE HOMES

Elevate living standards and reduce cost of living through innovation, leveraging smart technology, and embracing environmental sustainability.

LEAD QUALITY HOMES OF CHOICE

Leading the market by delivering personalised homes that provide the foundation for a good, ordinary life and by prioritising autonomy in decision making, safety and integrated technology.
